

? Quantum Sod - Question List to Ask Before You Order Sod

Not sure what to ask before you order? This list covers the most common issues that can delay or complicate your sod project — and how to avoid them.

Whether you're a homeowner planning your first yard or a contractor managing a deadline, these questions will help you get your ducks in a row so we can deliver the right sod, at the right time, with zero surprises.

✓ Sod Type Questions

Ask yourself (or your client):

- Do I know which type of sod is best for my yard or project? (Bermuda, Fescue, or Zoysia?)
- Does the lawn get full sun, part sun, or mostly shade?
- Do I need a low-maintenance option or am I okay with higher care requirements?
- Am I matching existing grass or starting from scratch?

 **Not sure?** Download our free **Master Sod Comparison Worksheet** to compare turf types before ordering.

Size & Area Questions

- Have I measured the square footage of the area I'm sodding?
- Do I have a sketch or map of the space for planning?
- Am I accounting for any slopes, curves, or irregular shapes?

 **Pro Tip:** Use our **Free Square Footage Worksheet** to calculate how much sod you'll need.

Delivery or Pickup Questions

- Do I have a truck/trailer for pickup — or do I need sod delivered?
- Is there easy access for delivery (curb, driveway, or jobsite)?
- Will I have help unloading or laying the sod on the day it arrives?

 **Call 918.928.2631** to confirm what delivery window works best for your schedule.

Installation Questions

- Will I be laying the sod myself or hiring an installer?
- Is the area fully prepped and ready to receive sod? (We do not offer tear-out or site prep.)
- Do I need an install window scheduled after delivery?

 **Book a Free 15-Minute Phone Consultation** to get help with timing, delivery windows, and install coordination.

Watering & Maintenance Questions

- Do I have a working sprinkler system or hose setup?
- Am I available to water the sod daily (especially during the first 14 days)?
- Do I have a plan for fertilizing or mowing after installation?

 We'll email you our **GreenGuard Sod Care Guide** after your order is confirmed — includes watering tips, maintenance calendar, and more.
